

# The Dirty Dozen

**ALWAYS ENSURE  
YOUR PLANTS ARE  
NEONICOTINOID  
FREE!**

With your help we can keep these 12 non-native invaders out of our environment! We encourage you to remove the Dirty Dozen on your property and pledge not purchase or plant them in the future. For native alternatives, see the Birdy Dozen.

**Japanese Barberry**

**Callery Pear  
(Bradford Pear)**
